Dear Parents,

I wish you a happy month of June and pray to God for His blessings and prosperity upon you and your family.

Let me use this opportunity to thank you especially for your continued cooperation and support in our joint effort to give your children the best quality education possible.

I felt it was necessary to personally intimate you on some recent and future activities of our school.

Launching of New Website

We are pleased to have launched our newly developed official website www.springfieldschool.ng. This site not only contains useful information about the school, it will also help to keep you informed of key events and activities taking place in school. Please visit it regularly.

Renovation of our School Frontage

You will already have noticed that some weeks ago we begun the renovation of the frontage of our school premises. We expect to complete this work within the coming weeks. This endeavor will ease parking difficulties for parents in addition to providing a more aesthetically pleasing view of our school frontage.

Springfield School @ 40

September will make it 40 years since Springfield School was founded. It will interest you to know that in this time we have provided foundational education for some of Nigeria's finest and best achievers. Did you know that **A. Igoni Barrett, winner of the BBC World Service Short Story Competition in 2005** is an alumni of Springfield? Did you also know that **Kaine Agary, author of Yellow Yellow and winner of the Nigeria Prize for Literature Competition, 2008** is also one of our alumni? In addition to Kaine and Igoni, we have many other alumni that are excelling in different fields of endeavor.

You will agree that 40 years is worth celebrating and worth celebrating well. To do this, we shall setup a committee comprising of staff and parents to assist with the planning for this event. If you would like to volunteer to be part of the planning committee, please indicate your interest to the Head Teacher or send us an e-mail using info@springfieldschool.ng
